But, I agree

Hi. Debra sent me a link (thanks?).

When CBD refers to 'costs of registration,' they are thinking

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I think our response should be

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

See link below to folder that contains the current draft of the comment response. See Comment response to CBD #9. RD tags us to help revise/draft that response.

CBD Comment #9:

The EPA must analyze the true costs of registering new uses of aldicarb as outlined in the recent 9th Circuit Court of Appeals 2020 ruling on dicamba.

RD tags us to review CBD comment #2 as well, but I don't think there is anything for BEAD to respond to .

Hi Team:

In order to keep the decision memo moving forward with review, we decided that the RTC will be a separate memo posted to the docket.

We drafted the RTC memo and have provided responses wherever possible (~80%), but we need team expertise and input as indicated in Comment Boxes throughout the document to get it to the finish line - **by noon Monday** in keeping with senior management directive.

The draft memo is located on the OneDrive in the 1-5-21 New Aldicarb Documents folder.
